Here is what you can expect during the 3-6 month transition period:

1. **Medical Records:** Our practice will securely maintain your medical records, which can be transferred to your new healthcare provider or the Nurse Practitioner upon request. *Please note this is an uninsured service not covered by MSP. Fees may apply.*

During this transition period, if you need emergency care, please call 911 or visit your nearest emergency/urgent care clinic.

Sincerely,

Dr. Marvin Bailey
